ABSTRACT

This document is a template for the **abstracts** to be submitted to New Trends in Fatigue and Fracture Conference (NT2F18), which will be held in Lisbon from **17th to 20th July 2018**, under the organization of the Instituto Superior Técnico from the University of Lisbon.

Please write an abstract (max. 250 words), which accounts briefly the scope, motivation and clearly define the objectives of the work. Also the main methodologies used to achieve the goals should be pointed out.

It should be self-comprehensive without references. Figures, tables or bibliographical references should not be referred.

Abstracts have to be written in English and submitted to the email nt2f18@nt2f.tecnico.ulisboa.pt.

The acceptance notifications will be sent to authors by 16th March 2018.

The abstracts should be sent in both word and pdf format and the file named using the first author family name (e.g. Reis_01.pdf).
